IMD Positioning Statement

➢ To healthcare visionaries who believe innovation is integral to their success, locating in the Illinois Medical District is a strategic catalyst to help them achieve breakthrough results.

➢ Situated in the heart of one of the world’s most admired cities, the IMD offers partners a unique ecosystem of knowledge, collaboration, and resources, plus something more: the opportunity to impact the world’s next great district for healthcare innovation.

➢ Together, IMD partners accelerate discovery and commercialization that is reshaping the practice of medicine, generating prosperity for everyone.
RFP Goals

- We seek thought partners who will collaborate with us in making the IMD the world’s next great district for healthcare innovation.

- We are not merely seeking doers, or implementers. We want visionaries, strategic thinkers, and even dreamers who can partner with us in achieving our strategic goals.

- The RFP Scope of Services reflects current and anticipated business needs generated from operations, short and long term business and finance strategy, our anticipated land use and planning platform, and our bold vision.

- We, in summary, seek partners who can help us support and implement the brand positioning statement articulated in the prior slide.
